

Dear Friends,

We're officially in the 2026 election cycle, even if the all-important August 2026 Primary feels a long way off. This is the stretch when we at the Flagler Democrats' HQ are doing the essential work of recruiting and training local candidates, putting outreach projects into place and getting you "election-ready".

As Chair of the Flagler Democratic Party, I spend a lot of time looking at timelines and budgets. Knowing what resources we can count on month to month makes a real difference in how we scale our outreach programs.

Every effort to reach out and inform our 22,000 Democrats and thousands more NPA voters is a cost to us. Your investment in us early in the year and sustained support throughout the year allow me to plan responsibly.

We are going to pull out all of the stops to win local seats on the non-partisan Palm Coast City Council and Flagler County School Board in August. We have some good candidates now, and we continue to recruit. If we are serious about winning, we can't just do things like we always did. We will have to be creative, use some new outreach methods, and spend some real money.

That's why I'm asking directly: Will you help us build the foundation we need this year to actually win a local seat or two? Can you help provide the stability so that we can keep our momentum throughout the year without slowing down or resetting every few months?

We have a big task ahead of us in 2026. In addition to local elections in August, we will have state elections (Governor) and federal elections (US House and Senate) in

November. We are \$10,000 short of our 2026 fundraising goal. If you're in this with us, I'd be so very grateful if you would invest in our work.

Give \$26 each month through 2026. (Helps with our monthly fixed expenses. Keeps us from robbing Peter to pay Paul during an important election year.)

Make a donation to our fabulous Headquarters storefront in City Marketplace. This is the hub and heart for all of our planning, activities, and engagement.

Make a donation to our Operations Fund (Vote by Mail and Get Out The Vote efforts, and our new Social Media Strategy).

Thank you.

Onward,

Janet Sullivan, Chair
