

This is Jan Sullivan, Chair, Flagler County Democratic Party. I'm writing to you because you live in Flagler County School Board District 2.

Three seats on the Flagler County School Board are up for election this year: School Board Districts 1, 2, and 4.

Each of these districts has a local, well-known cultural extremist running as a candidate. Two are currently on the School Board and are running for re-election for Districts 2 and 4. Another is running to return to the School Board from District 1 after she lost her seat in 2022. Once elected, they all showed themselves to be ineffective, uninformed, disruptive, and unengaged.

I am thrilled to let you know that there are competent, common-sense candidates running for Districts 1 and 4. However, the extremist incumbent candidate in District 2 is currently unopposed. We can't let that stand. We just can't.

You could be a School Board candidate from District 2! **You** could be the one to work diligently to provide an opportunity for students to receive a high-quality education. **You** could be the one to help make decisions so that students can succeed in their post-high school choices.

Some facts: The School Board role is a non-partisan, part-time job. Currently, all School Board members have other full-time jobs. It pays \$40,000+/ year. There are other benefits, as well.

So much of what angers and saddens us these days is out of our control; however, a School Board member from District 2 could help drive real, seeable, positive change. We cannot let this opportunity slip away.

So, the Big Ask: Will you dig deep and step up to be the rational candidate for District 2— a candidate that students and the community deserve? You don't have to be the perfect candidate. You don't have to have a specific background. You don't have to be a specific age. You have to be willing to work hard and be willing to learn. We offer a tremendous amount of education and support.

Call or email me so we can explore this further. I can't wait to hear from you and answer your questions!
