

Hello, friends! I'm sending reminders of a handful of events that occur this month. I'm taking a break for a few days and we're heading to Atlanta to hear some gospel music, see my new favorite indie band and visit the Jimmy Carter Presidential Library and Museum.

To be clear about all of our events: **You are invited!** If an event is posted in this newsletter, it is open to all, and we hope to see you!

I hope you're having a good week!

Democratic Primary Forum

Thursday, June 18

This is the first and probably only time for you to see all of the Democratic candidates for our US Congressional District 6 in one place, in one forum, before the Primary Election on August 18. At this event, each candidate will have the opportunity to speak for 7 minutes, then our panel will ask questions of them. If you have a question you'd like for our panel to consider, please [email it](#) to us by June 10. **Note:** Candidates who do not qualify to be on the ballot by June 12 will not participate in this forum. We will update you on June 12 as to who has qualified and will be participating in the forum. Most candidates have already qualified.
