

Hello, folks. I'm using my bully pulpit to let you know the IRS/DOJ/Trump agreements have sent me over the edge. Truly. I am going to try to arrange my schedule to protest from 4-5 pm M-F at the Palm Coast rally location. I may be alone, or my husband, Peter, may be with me. Regardless, I'm taking to the streets.

I am not doing this as the Chair of the Democratic Party but as a private citizen. I paid plenty of taxes during my working career, and still do. Call me naive, but I thought they would go for the betterment of society and to people who might need a helping hand.

I hadn't anticipated I was working so that my taxes would go to our grifter-in-chief, to his family, and to his allies who break the law— all who comprise the actual swamp. I am crazed beyond belief.

You are welcome to join me. Come to the office at 3 and make a sign, if you want. Today, Wednesday, I'll be protesting 4-5 pm then going to Mix 'n' Mingle at the Brass Tap at 5 pm. Have a cold one waiting for me. We all know people who can't afford healthcare, or whose premiums have doubled. Folks are choosing between food and medication. Gas is \$4.59/gallon. Then, there. is. this.

Jan Sullivan, Chair (and distraught private citizen)

Flagler County Democratic Executive Committee
